

SCHELLMANNART

Komar and Melanid - The People's Choice Portfolio 1994

Set of title page and 5 silkscreens, 56 x 75 cm (22 x 29 ½ in.) each, edition of 50, signed and numbered each.

The prints results from a scientifically valid poll of American attitudes towards the visual arts. The portfolio contains two prints created by the artists utilizing the findings of the poll to make the American public's most and least preferred art works. The portfolio also contains three prints that visually detail additional results of the poll.
